- Rien Broekstra, Brinkhof

UPC – key developments

14.15-15:45h

The Panel

Rien Broekstra
(Brinkhof)

Amandine Métier
(Hoyng Rokh Monégier)

Ralph Nack
(Reporter General of AIPPI)

Note

- All views and arguments expressed during this panel session are expressed for discussion purposes only.
- They may not reflect at all the professional opinion of the panellists, their respective law firms, and clients.

Topic 1: The Long Arm Jurisdiction

- Discussion: *After BSH/Electrolux, the UPC is no longer needed*

Topic 2: The UPC “Keyhole”–Saisie

- Discussion: *UPC evidence seizures must be limited to evidence physically present*

- Discussion: *The Court of Appeal missed an opportunity to set the Problem-Solution-Approach as the standard for inventive step*

Topic 4: Finding the right balance

- Discussion: *Is the UPC too patentee-friendly?*
